From: Mary Lou Fiala
Minneapolis Police Department Training Unit

Upon your request, I was able to review the vendor bid for Conducted Energy Devices. The vendor Uniforms Unlimited has spent researched, designed and implemented training for this product. They have become the leading and only vendor for this equipment.

I have also had the opportunity to review the costs of the equipment. These costs match what had been discussed previously.

Please let me know if you would like any additional information or if you have any questions.

Thank you.

Mary Lou
